To Parents and Students:

This handbook is presented to you by the Middle School so each student will be aware of the basic rules and regulations of the school. Cooperation by each student and staff member, which often requires the sacrificing of one's own personal likes, is generally a necessity in creating a successful academic and social atmosphere for everyone involved.

Please read carefully the following booklet, because its rules and regulations are for your benefit and protection. Our staff members will be happy to explain any areas in which you may have questions. It is our desire to work with the students and the parents for greater harmony and for the betterment of all the students involved toward an especially good school year.

SCHOOL DISTRICT MISSION STATEMENT

We, the members of the Belle Fourche community, are committed to building a learning community and ensuring all learners equal access to an excellent education program that results in learners who are responsible and accountable; who value lifelong learning and know how to learn; and who are capable of succeeding in a changing society.

BELLE FOURCHE MIDDLE SCHOOL MISSION STATEMENT

Expand life-long learning.

Belle Fourche Middle School has chosen **Respect** and **Responsibility** as goal areas for students in grades 5-8. Students should be especially aware of the following expectations:

Exhibit Appropriate Classroom Behavior

Use Property Carefully

Courtesy to Others

Bring Necessary Materials to Class

Bring Completed Assignments to Class

Actively Participate During Class

We want to ensure that our school has a positive learning environment!

PHILOSOPHY

The school board of Belle Fourche Public Schools subscribes to the thesis that our educational aspirations for our young have made us free, and it is the intention of the board to help perpetuate that freedom by providing the best education possible for our children within monetary resources available to the district.

Our purpose is to develop individuals with adequate academic preparation as well as the desirable moral, ethical, and spiritual beliefs to assume a role in shaping the future of our nation.

It is understood that though all children will not learn all things equally well, all should have an equal opportunity in the pursuit of educational qualifications for the world ahead, and the school board will attempt to balance its program to provide for the varied interests of the pupils of the schools. In attempts at balance, school officials must keep in mind quality programs deserve as much consideration as quantity. The board accepts the premise that the center of the school curriculum is the child and that the instructional program should be tailored to fit a child-development pattern of education.

The Board of Education accepts the conclusion that the education of children is a comprehensive program which must be undertaken in cooperation with other institutions of our society. We will seek to establish and maintain strong ties with parents and community programs.

DISTRICT GOAL STATEMENTS

1. Build a quality education program that is efficient, effective and excellent.
2. Improve and develop a cooperative and positive image for the school system.
3. Provide financial resources to adequately fund the educational programs.
4. Conduct school district business in professional, effective, efficient and responsible manner.

General Goals

The primary goal of the staff of the Middle School is to guide each student toward his/her academic, social, emotional, and physical potential by:

1. Providing comprehensive exposure in academic areas while also stressing individual needs.
2. Promoting the necessity for each student to recognize and accept responsibility for his/her actions and for the result of these actions.
3. Assisting each student in coping with stress by developing strengths and promoting a positive self-image.
4. Introducing and encouraging good health practices toward physical well-being.

SCHOOL ATTENDANCE AND TARDINESS (Policy Book JCC)

Revised 8/8/16

This policy is based on the fact that **something important** happens in class **every day** and that the activity or interaction with teacher and students can never be exactly duplicated.

The following established guidelines will be accepted as valid reasons for a student to be excused.

1. Personal and family illness.
2. Prearranged medical/dental appointments.
3. Emergencies.
4. Leaves of educational value.
5. Other prearranged absences approved by the administration or designee.

The administration reserves the right to investigate the excessive occurrences of any aforementioned item.

In instances of chronic or irregular absence reportedly due to illness, the school administration may request a physician's statement certifying such absences to be justifiable. Any absence other than excused absence is considered truancy. All absences excused or unexcused beyond 5 days per semester or 10 days per year, may result in loss of credit or retention.

Excused:

A. Parent(s)/guardian(s) must contact the school, orally or in writing, to excuse the student's absence from school. This excuse needs to be shared with the school prior to or on the day of the absence or upon the student's return to school. In all cases, work missed must be made up.

B. Students needing to be excused for appointments must have a written note or phone call from the parent or guardian to the school in order to be released. Students needing to interrupt their normal school day for appointments are expected to notify the attendance office when leaving and upon returning. Since the district uses a modified 4-day week, we suggest scheduling routine appointments on Fridays when there is no school.

C. School personnel will attempt to notify parents or guardian of student absences.

Unexcused:

A. A student who is on campus but not in a regularly scheduled class will be considered unexcused.

B. Any absence which is not explained by a parent(s)/guardian(s) upon the student's return to school or does not meet established guidelines for excused absences will be considered unexcused.

C. Truancy proceedings as per state SDCL Chapter 13-27 may be initiated if deemed necessary.

Truancy:

"Truancy" means any absence (by a student under age 16) for part or all of one or more days from school during which the school has not been notified of the legal cause of the absence by the parent/guardian of the absent student. It also means intermittent attendance carried on for the purpose of defeating the intent of compulsory attendance.

When absenteeism has become detrimental to student achievement and the student/parent/guardian has ignored every effort by the district to gain compulsory attendance, the principal may begin truancy proceedings to be brought against the parent/guardian. Prior to such actions the principal shall have:

- a. Communicated with the student's parent/guardians to discuss the student's truancy or have attempted to meet and been refused.
- b. Offered an opportunity for educational counseling with school personnel and the student/parent/guardian.

Make-Up-Work:

For all absences the student must make up the work missed. Students will have at least as many school days as they were absent, plus one additional day, to complete work that is assigned the day of the absence. If the work is not completed, no grade or credit can be given for the assignments. Assignments or tests that were assigned prior to the absence must be turned in or completed on the day of return unless other arrangements are agreed upon between the student and the teacher.

Excessive Absences K-8:

The following policy has been developed to encourage good attendance in grades K-12. Students missing over 8 days in any semester or missing over 16 days per school year may result in loss of credit or retention.

When a pattern develops with a student's attendance, contact will be made with the parents. In certain cases, a letter of complaint will be sent to the State's Attorney.

In the event of loss of credit or retention, the student may appeal this action. For appeals the student must appear before the Board of Education or its designee and substantiate in writing the reasons for excessive absences. The Board or designee will take this into advisement and will make a decision with input from the petitioners, teachers, and administrator.

Procedures for implementing this policy are outlined in the Student Handbooks.

Tardiness:

If a student is not in the classroom when the bell has rung, the student is considered tardy. Four (4) tardies for the start of the school day or during periods 1-8 will result in make-up time after school. Each grading period allows a student to start anew.

Absences:

If a student is absent and the school has not been notified, the school will attempt to contact the parents to verify the student's absence. If the absence is unexcused the time may need to be made up.

HOMEWORK

From School Board Policy IKB Revised 7/12/00

The Board believes that homework – as long as it is properly designed, carefully planned, and geared to the development of the individual student – meets a real need and has a definite place in the educational program. The staff shall recognize the role of parents by suggesting appropriate ways in which the parents may assist their child with homework. Students, under the ICU program, are expected to complete all assignments at an acceptable level of quality. If homework is incomplete or not at an acceptable level of quality, students will have an opportunity to work and receive teacher assistance after school and on intersession Fridays.

If a student is on an IEP (Individual Educational Plan), the teacher must provide appropriate accommodations and modifications of homework assigned according to the IEP.

Homework is to be assigned according to these guidelines:

- Will be a properly planned part of the curriculum, extending and reinforcing the learning experience of the school.
- Will help children learn by providing practice in the mastery of skills, experience in data gathering and integration of knowledge, and an opportunity to remediate learning problems.
- Will help develop the student's responsibility by providing an opportunity for the exercise of independent work and judgment.
- A teacher will consider a student's age, mastery of skills and school related responsibilities/activities.
- Will be clearly assigned and its product assessed in a timely manner.

DISCIPLINE PROCEDURES

Discipline Guidelines

Every student and employee of the Belle Fourche School District is entitled to learn and work in a safe school environment. To ensure this, the district and each school have established clear student discipline policies, definitions and consequences appropriate with the behavior and a practice to do so consistently.

Students are expected to behave in accordance with federal, state and local laws and rules, district and school policies and regulations, and in a way that respects the rights and safety of others. Corrective action to discipline a student and/or to modify a student's behavior will be taken by staff when a student's behavior does not fall within the guidelines.

The following are middle school guidelines. These guidelines and the potential consequences apply at any time a district student is present on a district school location. Listed are the violations and the recommended consequences for offenses. The infractions and consequences may be modified or disregarded if circumstances require mitigation or exceptions (e.g. disabled student whose behavior is related to his or her disability.) Refer to the definition section of this handbook for infraction definitions.

A progress grade will be given two times a year at parent teacher conferences to monitor student progress. Parents of a student who is receiving a failing grade will be notified before the end of the grading period.

DDN Campus

Parents and students may check their grades and attendance at any time during the school year on their DDN Campus Parent Portal. Parents MUST register for a User Name and Password through the school. To access the Parent Portal, use the District web site: www.bellefourche.k12.sd.us

Students will be encouraged to turn in all work, even if it is late. Final scores will be determined by each teacher's discretion.

Intersessions

The school calendar provides some Fridays for intersession classes. These classes are used to reinforce or enrich skills to help students succeed in school. Some students gain the privilege of attending through an invitation from their teacher. Some parents choose to have their children attend.

GENERAL SCHOOL INFORMATION

Adult Visitors

Adult visitors to school are required to call in advance to schedule a visitation. Visitors are required to check into the office upon arrival at school.

Animals in School

No animals are allowed in school. Service animals are excluded. The exception would be classroom observation projects that are permanently contained. Teachers are responsible for care and cleaning for these projects.

Closed Campus

All students will be required to stay on campus during the entire school day.

Complaints

Anyone who has a concern which relates to the school is encouraged to address the issue at the lowest level. If the concern cannot be satisfactorily addressed, the District has a Complaint Procedure which is Policy KL. This policy and procedure can be accessed through the Middle School Office, Central Office or the District website: www.bellefourche.k12.sd.us.

Detention

If a student skips their detention, the time is doubled. Detention may impact eligibility for sports, mini-courses or other privileges. Bus students and students with special circumstances will be allowed time to arrange a date and time to serve detention. Students are responsible for bringing parent notes and arranging time to serve detention. Chronic skipping may result in an assignment of In-School Suspension time or other disciplinary action.

Early Dismissals

The students who must leave school for appointments such as the doctor or the dentist are to pick up an early dismissal slip before school or at noon. Students must bring parental requests for these dismissals.

Guidance Services

Counseling services are available to all students and their parents/guardians. Students and parents may request counseling services at any time for social, emotional, academic, or career concerns.

Illness

If a student becomes ill in school, the student should report to the office. A student should never go home without first reporting to the office.

In case of absence due to illness, a written or verbal excuse from the parents must be given to the nurse or the office explaining the student's absence.

IN-SCHOOL SUSPENSION

The middle school utilizes In-School Suspension for disciplinary issues that would warrant the removal of students from the classroom for an assigned number of days.

If disciplinary action occurs mid-day the student will be placed in ISS and this time may or may not count toward the time assigned for the infraction.

Lockers

Lockers will be assigned to students. Students are encouraged to keep their lockers locked at all times. If students are using locks of their own, a means to open the locks (key, combination, etc.) shall be left with the office or homeroom teacher. Lockers remain the property of the school and can be searched when there is a reasonable suspicion that school rules and regulations and/or state or federal laws are being violated.

Locker Searches

The courts have consistently upheld the claim that school lockers are school property, loaned or rented for the student's convenience. School Authorities may search the student's locker without prior warning in seeking contraband, because standing in loco parentis (in place of parent), school authorities are charged with the safety of all students under their care and supervision. Such a search is not an "illegal" search under the Fourth

Amendment to the federal Constitution, but a reasonable exercise of board power in the interests of health, welfare and safety of students.

Courts have reasoned that the school extends locker use to students only for legitimate purposes. School authorities, therefore, have not only the right, but also the duty to inspect lockers either periodically or on an ad hoc basis in the interest of making the school a “safe” environment.

The courts have supported the use of trained dogs to conduct searches of lockers and cars in school parking lots. Search of a person by a trained dog is not quite as clear. Some courts indicate that a sniff of a person by a trained dog is not a search because it is not intrusive. An individual search of a student by school personnel must be based on reasonable suspicion. See New Jersey v. TLO 1985). If the school has law enforcement involved in the search of students, there should be probable cause to search.

Hall Passes

Students are required to have hall passes. No student should ever be out of the classroom without a hall pass.

Coats, Jackets

Outdoor garments such as boots, jackets and coats which are worn for warmth or moisture protection are to be removed and left in the lockers and not worn to the classrooms.

Cars and Motorcycles

Students who drive to school must drive to and from campus only. Students must not sit in cars or on their cycles while they are parked at school. Parent permission must be provided to the school in order for students to use their vehicle during school hours. Use is limited to appointments, emergency situations, etc. Students are not to have passengers.

Bicycles

Bicycles may be ridden to and from school only. Students are not to remain at the bike rack after parking their bicycles.

Skateboards

The use of skateboards on school property is prohibited.

Medicine

The school will no longer purchase non-prescription pain reliever for student use at school unless under the direction of the school nurse. If your child needs prescription or non-prescription medication, a parent or guardian must come to school and fill out the proper forms. Students are not to carry any medication in school.

Prescription medications must be in a pharmacist-labeled container that specifies the student’s name, prescribing physician’s name, date of the prescription and directions for use. (Pharmacists will give you an extra labeled container for school use if you ask for it.)

Non-prescription medications should be in an original bottle or container labeled with the student’s name. (This includes cough drops, cough syrup, aspirin and so on.)

Cell Phones and Pagers

Student use of cell phones and pagers is prohibited during the school day. Students are expected to turn off and put away cell phones as they enter the building.

Money

Money should never be left in a locker. Money may be left in the office if a student brings a larger amount to be used for an after school errand.

Lunch

Our middle school has a closed campus during lunch. Students may leave campus for lunch under certain circumstances. For instance, any parent or guardian may take their own child out to eat. Be sure to sign your child out as they leave the building. A student may leave with another adult only if the school receives verbal confirmation from that student's parent or guardian.

Parents/guardians are encouraged to join their child for lunch at school. Siblings who wish to eat lunch with a student must be accompanied by a parent or guardian. Lunch visitors are asked to call ahead to reserve a meal.

Students with special dietary needs will need to contact the nurse to make arrangements for their diet.

Food

Candy, sunflower seeds, other food and gum are not to be used anywhere in the building during school hours, unless a classroom teacher allows it during a class period under special circumstances.

Lunch Numbers

Students in grades 5-8 will deposit money in their lunch account. Students will be assigned an account number to memorize and use on a daily basis.

Student Visitors

Students will not be allowed to bring a friend or relative to school.

Personal Items

MP3 players, Ipods, earphones, electronic games, baseball cards, balls, hacky sacks and other personal items of value should not be brought to school. If brought to school, these items become the student's responsibility, not the school's and may not be used during school. Using earphones to listen to music during class is disrespectful and will not be tolerated.

Electronic Reading Devices

Items such as Kindles, Smart Phones, and other technology may NOT be used in classes for reading purposes if the device is capable of accessing the Internet.

Complaint Procedure

There is a complaint policy for parents and others to use when a formal grievance is not needed. If people use this procedure, it will reduce confusion and keep issues at a dignified level. See Administrator's Manual or Policy KL.

Students are required to follow the rules in each classroom set by the teachers. They are to report to class with the proper equipment-books, paper, pens, pencils and assignments.

3. If the books are found before June 30th, the money for the books will be refunded. After June 30th, the accounts close for the district and money cannot be refunded. In all cases, however, the district would rather have the books than the money.

Dance Regulations

The middle school student council will sponsor school dances per approval by the principal. Chaperones will be required with representation by school personnel. If students ask to leave early, a parent/guardian must be contacted. Once a student leaves the dance, the student cannot re-enter. Notice of Rights for Disabled Students and their Parents under Section 504 of the Rehabilitation Act

The purpose of this notice is to inform parents and students of the rights granted to them under Section 504. The federal regulations that implement Section 504 are found at Title 34, Part 104 of the code of Federal Regulations (CFR) and entitle parents of eligible children and the student themselves to the following rights:

1. You have a right to be informed of your rights under Section 504. The School District must provide you with written notice of your rights under Section 504. (This document represents written notice of rights as required under section 504.) If you need further explanation or clarification of any of the rights described in this notice, contact Ryan Young, Section 504 Coordinator, at South Park Elementary School, 723-3382, and he will assist you in understanding your rights.
2. Under Section 504 your child has the right to an appropriate education designed to meet his or her educational needs adequately as the needs of non-disabled students are met.
3. Your child has the right to free educational services, with exception of certain costs normally also paid by the parents of non-disabled students. Insurance companies and other similar third parties are not relieved of any existing obligation to provide or pay for services to a student who becomes eligible for Section 504 services.
4. To the maximum extent appropriate, your child has the right to be educated with children who are not disabled. Your child will be placed and educated in regular classes, unless the district demonstrates that his or her educational needs cannot be adequately met in the regular classroom, even with the use of supplementary aids and services.
5. Your child has the right to services, facilities, and activities comparable to those provided to non-disabled students.
6. The school district must undertake an evaluation of your child prior to determining his or her appropriate educational placement or program of services under Section 504 and also before every significant change in placement.
7. If formal assessment instruments are used as part of an evaluation, procedures used to administer assessments and other instruments must comply with the requirements of Section 504 regarding test validity, proper method of administration, and appropriate test selection. The district will consider information from a variety of sources in making its determinations, including aptitude and achievement tests, teacher recommendations, reports of physical condition, social and cultural background, adaptive behavior, health records, report cards, progress notes, parent observations, and test scores.

8. Placement decisions regarding your child must be made by a group of persons (504 committee) knowledgeable about your child, the meaning of the evaluation date, possible placement options, and the requirement that to the maximum extent possible, disabled children should be educated with non-disabled children.
9. If your child is eligible under Section 504, he or she has a right to periodic evaluations to determine if there has been a change in educational need. Generally, an evaluation will take place at least every three years.
10. You have the right to be notified by the Belle Fourche School District prior to any action regarding the identification, evaluation, or placement of your child.
11. You have the right to examine relevant documents and records regarding your child (generally documents relating to identification, evaluation, and placement of your child under Section 504.)
12. You have the right to an impartial due process hearing if you wish to contest any action of the district with regard to your child's identification, evaluation, or placement under Section 504. You have the right to participate personally in the hearing or to be represented by an attorney if you wish to hire one.
13. If you wish to contest an action taken by the Section 504 committee by means of an impartial due process hearing you must submit a notice of appeal or request for hearing to the districts 504 coordinator (Tina Rosenkranz at South Park Elementary School, 2305 13th Avenue, Belle Fourche, SD 57717, Ph. 605-723-3382). A date will be set for the hearing and an impartial hearing officer will be appointed. You will be notified in writing of the hearing date, time, and place.
14. If you disagree with the decision of the hearing officer, you have the right to seek a review of that decision before a court of competent jurisdiction (normally the closest federal district court).
15. With respect to other issues surrounding your child's education that do not specifically involve identification, evaluation or placement, you have a right to present a grievance or complaint to the district's 504 Coordinator, who will then investigate the situation, taking into account the nature of the complaint and all necessary factors, in an effort to arrive at a fair and speedy resolution.
16. You also have a right to file a complaint with the Office for Civil Rights of the Department of Education. The address for the regional office that covers the Belle Fourche School District is US Dept. of Ed. Office of Civil Rights, 8930 Ward Parkway Suite 2037 Kansas City, MO, 64153-2037, Ph. #816-268-0550.

NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY INSTITUTIONS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible student") certain rights with respect to the student's education records. They are:

- (1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- (2) The right to request the amendment of student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask Belle Fourche School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want to exchange, and specify why it is inaccurate or misleading.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent the FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that ministers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.

A copy of these policies and regulations may be obtained in the building principal's or superintendent's office of the Belle Fourche School District. Complaints regarding violation of rights accorded parents and students should be submitted to the Superintendent of Schools of the Belle Fourche School District, or the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.

For further information, please contact the Special Programs Director, Caleb Case, Belle Fourche High School 2305 13th Ave., Belle Fourche, SD, 57717 or (605) 723-3356.

INTERNET AND ELECTRONIC MAIL PERMISSION FORM BELLE FOURCHE SCHOOL DISTRICT 9-1

We are pleased to offer students of the Belle Fourche School District 9-1 access to the Internet. To gain access to e-mail and the Internet, all students under the age of 18 must obtain parental permission and must sign and return this form to the Principal's Office.

Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further education goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Belle Fourche School District 9-1 supports and respects each families' right to decide whether or not to apply for access.

District Internet and E-Mail Rules

Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply.

The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required. Access is a privilege – not a right. Access entails responsibility.

Individual users of the district computer networks are responsible for their behavior and communications over those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of individuals utilizing the network.

Network storage areas and e-mail may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on district servers would always be private.

Within reason, freedom of speech and access to information will be honored.

During school, teachers of younger students will guide them toward appropriate materials. Outside of school, families bear the same responsibility for such guidance as they exercise with information sources such as television, telephones, movies, radio and other potentially offensive media.

As outlined in board policy and procedures on student rights and responsibilities, copies of which are available in school offices, the following are not permitted:

- | | |
|--|---|
| Sending or displaying offensive messages or pictures | Using obscene language |
| Harassing, insulting or attacking others | Violating copyright laws |
| Damaging computers, computer systems/networks | Using another's password |
| Trespassing in another's folders, work or files | Intentionally wasting limited resources |
| Employing the network for commercial purposes | |

Violations may result in loss of access as well as other disciplinary or legal action.

SCHOOL SONG

We're the Belle Fourche Broncs,
The best school around
Don't try to ride us,
We'll tromp you to the ground.

U Rah! RAH!

We're out to win,
And the Broncs are on the square
So if you oppose us,
We warn you to beware.

OH!

Fight Broncs fight,
For our dear old Middle School fame.
Losers or winners,
Our smile is just the same.

U Rah! Rah!

We're out to win,
And forever we will fight,
For the honor of our Middle School
The Purple and the White.
