Dear Belle Fourche School District Parents,

We are inviting you, as parents, to join the Belle Fourche School District Parent Portal program. By joining this program, you will have instant, online, timely, secure and low cost access to school information about any of your children who attend Belle Fourche School District. Specifically, you will have online access to your child's attendance, tardy, discipline and transcript data. You will also have access to grading data for each class in which your child is enrolled, with assignments updated on a regular basis.

By implementing this Parent Portal program, we hope to provide you with access to timely information while reducing the labor, paper and mailing costs historically associated with less frequent communications. We expect this initiative will be a win-win opportunity for parents and Belle Fourche School District, and we hope you will enroll in the program to get faster access to information while helping us reduce our costs!

Please review the information included with this letter. Then, please complete the form at the bottom of the Parent Acceptable Use Policy and mail it back to us. We will promptly enroll you in the program and provide the Web address and an access code. It's as simple as that!
